

GammaLib - Feature #1078

Add unit tests for GModel::mc() methods

01/13/2014 07:39 PM - Owen Ellis

Status: New	Start date: 01/13/2014
Priority: Low	Due date:
Assigned To:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description Unit tests for all GModel::mc() methods should be added. Most are untested at the moment, but some are quite complicated. E.g. the one of GModelSpectralGauss from issue #1014 could go into an infinite loop for some inputs and should be tested thoroughly.	

History

#1 - 01/13/2014 07:41 PM - Owen Ellis

Issue #1014 is in the pull request status, but appears as done (strike through) in the web interface.
Can this be changed to non-strike-through?

#2 - 01/13/2014 10:01 PM - Knödseder Jürgen
