<b>Description</b>			
Currently some user manual pages are duplicated and need to be merged.			
The user manual is here: <a href="http://gammalib.sourceforge.net/user_manual/index.html">http://gammalib.sourceforge.net/user_manual/index.html</a>			
There's a sub-page again titled user manual here: <a href="http://gammalib.sourceforge.net/user_manual/manual/index.html">http://gammalib.sourceforge.net/user_manual/manual/index.html</a>			
All this sub-page contains is a large section on linear algebra: <a href="http://gammalib.sourceforge.net/user_manual/manual/linalg.html">http://gammalib.sourceforge.net/user_manual/manual/linalg.html</a>			
This should probably be merged into this page and then doc/source/user_manual/manual/ can be removed? <a href="http://gammalib.sourceforge.net/user_manual/modules/linalg.html">http://gammalib.sourceforge.net/user_manual/modules/linalg.html</a>
