

ctools - Change request #1261

Improve ctools Sphinx docs

07/10/2014 10:18 AM - Deil Christoph

Status:	Closed	Start date:	07/10/2014
Priority:	Normal	Due date:	
Assigned To:	Deil Christoph	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	1.0.0		
Description			
<p>This is a bunch of clean-ups and improvements (hopefully) to the ctools Sphinx docs:</p> <ul style="list-style-type: none">• The repo no longer contains files in `doc/html` ... this is the docs build output folder and it should be possible to do `rm -r doc/html` to get a clean slate at any time. To make this work I had to add the `rawfiles` Sphinx directive (a single small Python file) to copy over the few remaining raw html pages from `doc/source` to `doc/html` when running `make sphinx`.• Removed a few old hand-written `html` files which have been replaced by `rst` files already.• Added `doxylink` to cross-link from the ctools Sphinx docs to the ctools Doxygen docs(as is already merged for `gammalib`)• Added `intersphinx_mapping` to cross-link from the ctools Sphinx docs to the Gammalib Sphinx docs (always points to the version on the web, not the developer's machine) <p>You can review the changes here: https://github.com/cdeil/ctools/compare/ctools:devel...doxylink</p>

History

#1 - 07/10/2014 10:59 PM - Knödlseider Jürgen

- Status changed from Pull request to Resolved
- % Done changed from 0 to 100

Merged into trunk.

#2 - 07/10/2014 11:53 PM - Knödlseider Jürgen

- Status changed from Resolved to In Progress
- % Done changed from 100 to 80

This seems not to work. Here what I get when I type make sphinx:

Running Sphinx v1.2b1

WARNING: Python package `sphinxcontrib.doxylink` not found.

WARNING: Please install it to get fully-functional Sphinx docs.

WARNING: <https://pypi.python.org/pypi/sphinxcontrib-doxylink>

Exception occurred:

File "/Library/Python/2.6/site-packages/Sphinx-1.2b1-py2.6.egg/sphinx/builders/html.py", line 421, in get_doc_context

display_toc = (self.env.toc_num_entries[docname] > 1),

KeyError: u'user_manual/reference'

The full traceback has been saved in /var/folders/AB/ABl3ng7kEL8ekpJX54bhLE+++TI/-Tmp-/sphinx-err-gVt7T9.log, if you want to report the issue to the developers.

Please also report this if it was a user error, so that a better error message can be provided next time.

Either send bugs to the mailing list at <<http://groups.google.com/group/sphinx-users/>>,

or report them in the tracker at <<http://bitbucket.org/birkenfeld/sphinx/issues/>>. Thanks!

make: *** [sphinx] Error 1

#3 - 10/31/2014 11:15 PM - Knödlseider Jürgen

- Target version changed from 3rd coding sprint to 00-08-00

#4 - 11/11/2014 11:54 PM - Knödlseider Jürgen

- Target version changed from 00-08-00 to 1.0.0

#5 - 02/06/2015 02:20 PM - Knödlseider Jürgen

- Status changed from In Progress to Closed

- % Done changed from 80 to 100

The documentation is now at a reasonable level for the release.
