

ctools - Action #1266

Create ctexpcube tool

07/10/2014 04:40 PM - Knödlseeder Jürgen

Status:	Closed	Start date:	07/10/2014
Priority:	Normal	Due date:	
Assigned To:	Knödlseeder Jürgen	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	3rd coding sprint		
Description			
The ctexpcube tool should create exposure cubes for a given list of observations. It will make use of the newly developed GCTAExposure class to get the job done.
