ctools - Bug #1456

cshessobs: self.datapath set to "" after initialisation

04/18/2015 07:27 PM - Mayer Michael

Status:	Closed		**Start date:**	04/18/2015
Priority:	Urgent		**Due date:**	
Assigned To:	Mayer Michael		**% Done:**	100%
Category:			**Estimated time:**	0.00 hour
Target version:	1.0.0			

Description
While integrating cshessobs, a small error has slipped in: In the constructer right after the try-catch-statement concerning the environment variable HESSFITS, the protected member self.datapath is set to "" again. Therefore, the script cannot find the data.   I propose to remove the line self.datapath="" (line 56)

Agree. Do you implement the change?

#2 - 05/20/2015 11:08 AM - Mayer Michael

- Status changed from New to Pull request

- Assigned To set to Mayer Michael

- Target version set to 1.0.0

- % Done changed from 0 to 100

Available on *1456-fix-cshessobs-datapath*

I fixed one minor issue as well for this commit. Thanks for merging.

#3 - 05/20/2015 11:26 AM - Knödlseder Jürgen

- Status changed from Pull request to Closed
