GammaLib - Change request #1672

Use default time in GModelSpectral

02/16/2016 09:23 PM - Knödlseder Jürgen

Status:	Closed	**Start date:**	02/16/2016
Priority:	Normal	**Due date:**	
Assigned To:	Knödlseder Jürgen	**% Done:**	100%
Category:		**Estimated time:**	0.00 hour
Target version:	1.1.0		

Description

A default time should be used in the following GModelSpectral methods since the spectral models are in many cases time independent:

double eval(const GEnergy& srcEng, const GTime& srcTime = GTime()) const = 0;
double eval_gradients(const GEnergy& srcEng, const GTime& srcTime = GTime()) = 0;

History

#1 - 02/19/2016 12:40 AM - Knödlseder Jürgen

- Status changed from New to Closed

- % Done changed from 0 to 100

Done and merged into devel.
