

GammaLib - Action #1697

Revise documentation of all model classes

02/18/2016 04:33 PM - Knödseder Jürgen

Status: New	Start date: 02/18/2016
Priority: Normal	Due date:
Assigned To:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description The documentation of all model classes should be adapted to the conventions used in the release 1.0 paper. For an example, see the class GModelSpatialDiffuseConst that applies already these conventions.
