

GammaLib - Change request #1723

GObservation::print() method should also display the number of events in the container

03/01/2016 09:58 PM - Knödseder Jürgen

Status:	Closed	Start date:	03/01/2016
Priority:	Normal	Due date:	
Assigned To:	Knödseder Jürgen	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	1.1.0		

Description

The GObservation::print() method actually shows

```
2016-03-01T20:55:11: === GObservations ===  
2016-03-01T20:55:11: Number of observations ....: 1  
2016-03-01T20:55:11: Number of models .....: 0  
2016-03-01T20:55:11: Number of predicted events : 0
```

but does not give any indication of the number of observed events. The number of observed events should also be added.

History

#1 - 03/03/2016 05:41 PM - Knödseder Jürgen

- Status changed from New to Closed
- Assigned To set to Knödseder Jürgen
- Target version set to 1.1.0
- % Done changed from 0 to 100

Done.
