

## ctools - Feature #1740

### Add parameter files for cscripts

03/12/2016 01:04 AM - Knödseder Jürgen

|  |                  |                        |            |
|--|------------------|------------------------|------------|
| <b>Status:</b>   | Closed           | <b>Start date:</b>     | 03/12/2016 |
| <b>Priority:</b>   | Normal           | <b>Due date:</b>       |            |
| <b>Assigned To:</b>  | Knödseder Jürgen | <b>% Done:</b>         | 100%       |
| <b>Category:</b>   |                  | <b>Estimated time:</b> | 0.00 hour  |
| <b>Target version:</b>   | 1.1.0            |                        |            |
| <b>Description</b>   |                  |                        |            |
| There is no reason to have explicit parameter files for scripts instead of the kluge of auto generating the parameter files when they do not exist. So parameter files should be added for all cscripts. |                  |                        |            |

#### History

##### #1 - 03/12/2016 01:05 AM - Knödseder Jürgen

- Target version set to 1.1.0
- Start date set to 03/12/2016
- % Done changed from 0 to 10

A parameter file for the cscaldb script was added.

##### #2 - 06/03/2016 12:11 AM - Knödseder Jürgen

- Status changed from New to Closed
- % Done changed from 10 to 100

All cscripts now have par files.
