

GammaLib - Feature #1753

Add GCTAEventBin arithmetic operators

04/04/2016 02:21 PM - Knödseder Jürgen

Status:	New	Start date:	04/04/2016
Priority:	Normal	Due date:	
Assigned To:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Addition, subtraction, multiplication and division operators should be added to GCTAEventBin so that event bin values can be added, subtracted, multiplied or divided.
