GammaLib - Action #1773

Add GCsv::append() method to append a list of strings to a CSV file

04/22/2016 09:42 PM - Knödlseder Jürgen

Status:	Closed		**Start date:**	04/22/2016
Priority:	Normal		**Due date:**	
Assigned To:	Knödlseder Jürgen		**% Done:**	100%
Category:			**Estimated time:**	0.00 hour
Target version:	1.1.0			

Description

The GCsv::append() should append a list of strings to a CSV file. If the file is empty, the initial number of strings should determine how many objects are to be added. For subsequent calls to GCsv::append(), the method should check whether the number of elements is compatible with the existing number of columns.

History

#1 - 04/22/2016 10:57 PM - Knödlseder Jürgen

- Subject changed from Add GCsv::append() method to append a lit of string to a CSV file to Add GCsv::append() method to append a list of string to a CSV file

#2 - 04/22/2016 10:57 PM - Knödlseder Jürgen

- Subject changed from Add GCsv::append() method to append a list of string to a CSV file to Add GCsv::append() method to append a list of strings to a CSV file

#3 - 04/22/2016 11:24 PM - Knödlseder Jürgen

- Status changed from New to Closed

- Assigned To set to Knödlseder Jürgen

- Target version set to 1.1.0

- % Done changed from 0 to 100

Added GCsv::append() method and added C++ and Python unit tests.

Merged into devel.
