

GammaLib - Action #1858

Remove GFitsImage::size() method

10/03/2016 10:47 AM - Knödlseeder Jürgen

Status: Closed	Start date: 10/03/2016
Priority: Normal	Due date:
Assigned To: Knödlseeder Jürgen	% Done: 100%
Category:	Estimated time: 0.00 hour
Target version: 1.3.0	
Description The meaning of the GFitsImage::size() method is ambiguous and it overwrites the GFitsHDU::size() method that returns the number of header cards. For this reason the GFitsImage::size() method should be removed.	
Related issues: Related to ctools - Bug # 1831: csiactcopy mistakes FITS columns and rows Closed 08/01/2016
