

GammaLib - Feature #1880

Add solidangle() method to GModelSpatial

11/22/2016 05:01 PM - Knödseder Jürgen

Status: New	Start date: 11/22/2016
Priority: Normal	Due date:
Assigned To:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description A solidangle() method should be added to GModelSpatial so that the surface brightness of a source can be computed.
