GammaLib - Change request #2144

Prevent using an old swig version

07/03/2017 09:28 AM - Knödlseder Jürgen

Status:	New		**Start date:**	07/03/2017
Priority:	Normal		**Due date:**	
Assigned To:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				

Description
GammaLib and ctools need at least swig version 1.3.40. If swig is needed to compile GammaLib or ctools the version number should be checked and an error should be thrown in case that the version is not at least 1.3.40.
