

GammaLib - Bug #2184

COMPTEL background model XML file writes out a format that is not readable anymore

08/26/2017 10:09 PM - Knödlseider Jürgen

| <b>Target version:</b>  | 1.5.0              |                        |            |
| <b>Description</b>  |                    |                        |            |
| The COMPTEL background model XML file apparently translates the parameter names internally when reading, and these new parameter names are then written out. The result is thus not readable anymore. |                    |                        |            |

History

#1 - 09/07/2017 04:12 PM - Knödlseider Jürgen

- Status changed from New to Pull request
- Assigned To set to Adams Colin
- Target version set to 1.5.0
- % Done changed from 0 to 100

Code was implemented and checked, now needs to be merged into devel.

#2 - 09/09/2017 12:49 AM - Knödlseider Jürgen

- Assigned To changed from Adams Colin to Knödlseider Jürgen

Code merged into devel.

#3 - 09/09/2017 12:51 AM - Knödlseider Jürgen

- Status changed from Pull request to Closed
