

GammaLib - Feature #305

Complete implementation of Fermi/LAT response

07/12/2012 08:58 AM - Knödseder Jürgen

Status: New	Start date: 07/12/2012
Priority: Normal	Due date:
Assigned To:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description To fully support Fermi/LAT data analysis, we still need to implement the Phi-dependence in the response computations and we have to handle the energy dispersion.
