

GammaLib - Action #3204

Implement generic methods for PSF information

04/13/2020 10:28 AM - Knödlseider Jürgen

Status:	New	Start date:	04/13/2020
Priority:	Normal	Due date:	
Assigned To:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Add methods that return PSF central sky position, PSF radius and PSF resolution for a given event. This allows to implement generic spatial model convolution methods.			
See #3202 for a discussion.
