GammaLib - Bug #3315

Disable response cache for stacked analysis

08/07/2020 11:14 PM - Knödlseder Jürgen

Status:	Rejected	**Start date:**	08/07/2020
Priority:	Normal	**Due date:**	
Assigned To:	Knödlseder Jürgen	**% Done:**	100%
Category:		**Estimated time:**	0.00 hour
Target version:			

Description

The current implementation of the response cache uses too much memory, see #3305. The current response cache is efficient for unbinned data, and it will be much more efficient once the caching is limited to relevant values (see #3312). In the meantime we be switch the caching off.

History

#2 - 08/08/2020 03:10 PM - Knödlseder Jürgen

- Status changed from New to Rejected

- Target version deleted (1.7.1)

- % Done changed from 0 to 100

Since an alternative to disabling the response cache was found (#3316) I reject this issue now.
