

GammaLib - Action #3463

Add "RING" method to GSkyMap smooth and correlate

11/24/2020 04:45 PM - Knödlseider Jürgen

Status:	New	Start date:	11/24/2020
Priority:	Normal	Due date:	
Assigned To:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
A RING correlation method is used in ctskymap, it may be good to have this method also available in the GSkyMap::correlate() and GSkyMap::smooth() methods.
