GammaLib - Action #3693

Add statistics methods to GNdarray

05/20/2021 10:52 AM - Knödlseder Jürgen

Status:	New	**Start date:**	05/20/2021
Priority:	Normal	**Due date:**	
Assigned To:		**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:			

Description
Statistics methods should be added to GNdarray to compute for example the mean, median and standard deviation of the values in an array. See #3668 for a related discussion.
