GammaLib - Feature #38

Clean up GFits classes

02/20/2012 05:44 PM - Knödlseder Jürgen

Status:	New	**Start date:**	02/20/2012
Priority:	Low	**Due date:**

Category:		**Estimated time:**	0.00 hour
Target version:			

Description

Some clean up is needed in the GFits classes to reduce duplicate code and to simplify implementation of derived classes.

For example, in GFitsTable, the get_xxxx() methods should better return std::string to avoid memory leaks. I guess the actual implementation is leaky.
