GammaLib - Bug #682

GCaldb does not check whether directory specified by environment variable does exist

12/20/2012 08:43 PM - Knödlseder Jürgen

Status:	Closed		**Start date:**	12/20/2012
Priority:	Normal		**Due date:**	
Assigned To:	Knödlseder Jürgen		**% Done:**	100%
Category:			**Estimated time:**	0.00 hour
Target version:				

Description

When setting GAMMALIB_CALDB to a directory that does not exist, the unit test will fail with

Test P6 unbinned observation: ....E. NOK
Test P7 unbinned observation: ....E. NOK
Test P6 binned observation: ....E. NOK
Test P7 binned observation: ....E. NOK

GCaldb should therefore check if the directory exists before accepting it as a path.

History

- Status changed from New to Feedback

- Assigned To set to Knödlseder Jürgen

- % Done changed from 0 to 100

This bug was solved by commit commit:c001eec.

The GCaldb method checks now for the existence of the directory specified by the GAMMALIB_CALDB and CALDB environment variables.
